

Havenwood Heritage Heights
A Continuing Care Retirement Community

December 30, 2020

Dear HSC Residents and Families,

Hopefully this will be my last update before the end of the year. We have received a significant amount of our results from this week's Surveillance Testing on 12/28. Of the 292 staff members that were tested, we had 2 positive results and all of the rest were negative. One of the positive results was a staff member who works on Melody Lane; this staff member last worked on 12/26. Melody Lane will be on quarantine through 1/10/21. The other staff member that tested positive does not work in the Health Services Center. 109 residents were tested as well and all have come back negative. We will test all the staff and Residents again this coming Monday, 1/4 and again on Monday 1/11.

Thank you for the quick responses to the COVID-19 vaccine consent forms, to those of you who are activated Durable Powers of Attorney for Healthcare for your loved one.

Thank you again and please reach out to me via email at Sweaver@hhinfo.org or by phone at (603)-229-1194 if you have any questions or concerns. Be safe and Happy New Year!

Suzanne Weaver, NHA

Health Services Center Nursing Home Administrator
