Dear HSC Residents and Families,

Happy May!! I really think things are beginning to move in the right direction with all things COVID-19. While we wait for further guidance from the State of New Hampshire, I want to rollout our Mother's Day plan!

We will be expanding our Essential Visit Schedule on Mother's Day, 5/9 from 9am-11am and then again from 1pm-5pm. The visits will be 45 minutes each, on the hour, rather than the usual two hour time frame, in order to accommodate more visits. Visitors can bring in gifts/flowers and you can bring food, but this cannot be consumed by either resident or visitor during the visit. Current PPE requirements remain in place. These visits can still only be scheduled for the Designated Essential Visitor and you can call 229-1213 to schedule the visit, based on availability. These visits continue to be held in the designated visit spaces on each unit.

Thank you again and please reach out to me via email at [Sweaver@hhhinfo.org](mailto:Sweaver@hhhinfo.org) or by phone at (603)-229-1194 if you have any questions or concerns.
